

# YBI DVD FINAL SUBMISSION FORM

This form is to be submitted along with your completed YBI DVD Project file. This form must be signed and dated before any disc duplication can take place.

To finish your YBI DVD project, you will need to contact your YBI Customer Service Rep (CSR) and request a portable hard drive be shipped to you. Please allow a week for shipping of the portable drive after contacting your CSR. (You must use a portable drive supplied by YBI). Once received, follow all the steps from the "Finalize Project" menu within the software application. The final "Export for Submission" step will save your entire project onto the portable hard drive.

Check to see that entire project was saved successfully to the portable hard drive and then send drive and this submission form to YBI. (See address at the bottom of the page.) Your Project must be received at YBI at least 30-days prior to the expected delivery date.
